

HOW TO USE THIS MANUAL

The focus for the next 14 days as you undergo this spiritual journey is for you to camp around prophetic words that have been spoken over your life, our lives as a family and our nation, sustain the culture of the prophetic and use the prophetic words to shape our lives in the direction that God has and is mapping out for us.

The goal of prophetic words is to bring us empowerment, encouragement and comfort (1 Corinthians 14:3 -NIV).

It is also for us to continually declare the prophetic words over our lives until we see their full manifestations (1 Peter 1:19 -NASB).

This manual is a compendium of some of the prophetic words to our family and we believe that as you meditate and declare them daily, the morning star will arise in your hearts and you will thrive tremendously.

The added scriptures for meditations each day will spur you to remain in the atmosphere where you will continue in declaring the prophetic words

You can use this manual alone and or with a group of people of common concern either in your family or your workplace. There is a portion for daily group discussions to help you do that.

The persons in the group can also decide to exchange their notes from each day's discussion with other group members so that they can use it to pray for one another daily. It is important to know that this journal used for recording the various discussions and activation sessions should be guarded jealously as it could be your own instructions for the remaining part of the year.

For easier digestion of the scriptures, you could personally take each scripture according to the different watches of the day or you could do it together. For example:

6pm-9pm Isaiah 40:28-29

9pm-12am Psalm 95:1-7

12am-3am Revelation 4:11

3am-6am Psalms 100:4

6am-9am Daniel 2:19-23

9am-12pm Psalm 59:16-17

12pm-3pm 1 Chronicles 16:10-12

3pm-6pm Palm 16:6

This manual is not only set to guide you through the fast but to lead you through encounters that will direct your paths through this year. Prayerfully go through the sessions in expectation and we believe you will receive answers.

There is a fast to accompany this process. You need to pick the fast that suits you. The different types of fasts are listed below:

1. Fruits and vegetables fast
2. Complete abstinence fast
3. Relinquishing 1 or 2 meals daily

It is important to know that whichever fast you choose it is your heart and motive that matters. So set your heart and motive right, pray right, declare right, meditate with the right scriptures, then you will see results.

GOD BLESS YOU.

SHALLOM.
